

**FOR PRESENTATION AT THE APRIL 3, 2023 COMMISSION MEETING**

**AGENDA ITEM NO.: 59**

**SUBJECT: Request for Final Approval of the 2022 Transportation Alternative Program Grants**

**COUNTY: Statewide**

The Transportation Alternative Program provides federal funding for programs and projects defined as transportation alternatives, including pedestrian and bicycle facilities, community improvement activities, safe routes to school projects, and other related activities. Awards are made based on a competitive application process developed by the Department, with funding made available by FHWA. The goal of the Departments is to conduct the application and award cycle every two years.

The Department, along with the Transportation Alternative Advisory Committee (TAAC), reviewed 135 applications submitted by eligible sponsors. The TAAC committee was comprised of representatives from Department of Commerce, Department of Agriculture, Department of Health, Oklahoma Municipal Assurance Group, Association of Central Oklahoma Governments, Indian Nations Council of Governments, Rural Transportation Planning Organizations, ODOT-Local Government Division, and Oklahoma University – Institute for Quality Communities. The committee evaluated and scored eligible applications which resulted in the recommended awards.

This award recommendation includes allocations for FY2022, FY2023 and FY2024. The Department is recommending award of 62 projects totaling \$52,183,324.

Population Category	Number of Awarded Projects	Amount of Award
0-5K	23	\$14,223,412.00
Design for 0-5K		\$2,000,000.00
5K-50K	31	\$28,065,754.00
50K-200K	7	\$7,575,419.00
<b>Total</b>	<b>61</b>	<b>\$51,864,585.00</b>
